### **TRACK REGULATIONS Q14.4.2.**

Drivers must use the track at all times and may not leave the track without a justifiable reason. FOR THE AVOIDANCE OF DOUBT:

- (A) The white lines defining the track edges are considered to be part of the track.
- (B) A driver will be judged to have left the track if any wheel of the car either goes beyond the edge of any kerb or goes beyond the white line where there is no kerb.

### **Track Limits Q 14.4.2**

Competitors should be aware that specific guidance has now been issued by the MSA regarding the penalties to be applied for drivers breaching track limits.

These are as follows:

2nd offence = warning flag                      3<sup>rd</sup> offence = 5 second penalty  
4th offence = 10 second penalty              5th offence = drive through penalty  
6th offence = exclusion

In qualifying if a report is received and where it is shown that a driver has gained advantage on that particular lap, i.e. a faster lap time, then that lap time will be removed. This can be done as often as is required.

**The Esses & Bobbies Q.14.6.** At these corners if you overshoot i.e. miss the turn-in and go onto the old circuit, you must not do a U-turn and face oncoming traffic. At the end of the old track are two rows of tyres with an access route through that will allow you to safely re-join the circuit.

Anyone ignoring these instruction risks possible penalties.

**Race Stops:** There is an emergency red light system for stopping races and will be used in conjunction with the red flag, if displayed stop racing and return to the STARTLINE with caution or as directed by marshals & officials. In all races **Q.5.4** will apply.

Any race causing more than one race stop may be moved to the end of the timetable and run if time allows.

**Health & Safety:** Health & Safety guidance notes are available at driver's signing on, the member centre or on request from Castle Combe Racing Club. Competitors must ensure that they are familiar with these regulations.

**SAFETY CAR:- Q1 appendix 2, deployment of the safety car will be available to the Clerk of Course for all Practice, Qualifying and Races.**

**These SR's should be read in conjunction with the attached Guidance notes.**
