About Monoposto Racing Club

The Monoposto Racing Club is a club of motor sport enthusiasts promoting single seater motor racing in an inclusive, friendly and respectful environment where the regulations promote stable, affordable and competitive racing.

The club, which is celebrating its 60th anniversary in 2018, is the largest single seater racing club in the UK and boasts a membership of over 100 full racing members, whilst offering guest memberships and invitation races for occasional competitors.

The price for membership and championship registration has stayed the same at £135 for many years, solidifying our reputation as providing affordable racing.

We offer to waive the championship registration fee for first time racers to support newcomers joining our sport. The first year of racing is typically very expensive with the cost of ARDS and buying the kit needed, so we offer to waive the fee to help reduce costs. Many young drivers choose to begin their circuit racing careers with us.

More information can be found about the club on our website:

www.monoposto.co.uk

We also have an active social media presence on Facebook:

60th Anniversary

2018 sees the Monoposto Racing Club celebrating its 60th Anniversary.

We will be marking the occasion at **Snetterton** on **12th & 13th May**.

There will be a display of old Monoposto cars, special trophies to be won in the anniversary races, a barbeque, a parade and much more.

Zandvoort

The Monoposto Racing Club will be visiting Zandvoort for the first time in 2018.

7th—8th July

The non-championship event will include four twenty minute sessions over the weekend.

Ray Dackombe Trophy

Snetterton 300—12th & 13th May

2017 Winner Matthew Walters

Ray Dackombe was a longstanding and key Member of the Club whose efforts contributed greatly to Monoposto's success.

After his death a trophy was donated in his memory.

The trophy is awarded at the selected Ray Dackombe Memorial Meeting for performance on track in all sessions, it runs across all eight classes and can be won by anybody.

Reprise IT Tiedeman Trophy

MONO TIEDEMAN TROPHY

Named after the Founder of the Monoposto Racing Club, Frank Tiedeman, the Reprise IT Tiedeman Trophy Championship provides Monoposto competitors with more low-cost racing opportunities after the main championship has finished.

Operating over a single race day, the format consists of a single grid for all classes. Qualifying sets the grid for race one and the race two grid is set by the fastest lap times set in race one.

Points in the Championship are scored based on the performance of drivers in class with a factor for the number of entries in that class.

Trophies are awarded for 1-2-3 overall in the races plus a 'Champion of the Day' using the class points formula. Therefore, the overall 2018 Champion and Champions of the Day could come from any Mono class.

The championship format rewards consistency and above all finishing.

Paddock and Hub

At each venue Monoposto has an allocated Paddock area where our competitors can all park together.

At every race meeting Monoposto provides 'The Hub' which is inside an awning and centrally located in the Mono Paddock.

Tea, coffee and biscuits are provided free of charge in the hub. There are usually board members or the paddock coordinator around the hub who are happy to help or answer questions. Results and information are also available in the hub.

Social Events

Monoposto is a very social club and members can always be found enjoying each others company of an evening at circuits, but we also organise a number of social events as a club.

These include the Annual BBQ on the Saturday evening at a race meeting, the Baking Grand Prix and the Annual Awards Dinner.

New Drivers

We have a number of benefits to support new drivers joining our club.

These include:

Waived Championship Registration
(Normally £95)

SUNBAC Nova Award
for the Best Novice Driver

New Member Award for the Best
Performance by a New Member

*2017 SUNBAC Nova Award Winner
James Densley*

Educational Teams

Monoposto has always been fortunate to have attracted a number of University and College racing teams ("student teams") for whom the attraction has been that it is a cost effective and relatively open formula, allowing experimentation and modification to the cars, along with a friendly and helpful paddock welcoming newcomers.

In 2015 an anonymous benefactor offered a trophy for the most meritorious student team, to be known as the Monoposto STEM Award which reflects the importance of encouraging the education of young people within the disciplines of:

Science, Technology, Engineering and Maths.

University of Wolverhampton, 2nd STEM 2015

Northbrook College, STEM Winners 2015 & 2016

2018 Sponsorship

We are very pleased to announce that we have a new sponsor for the Monoposto Championship for 2018 as UKCG have come on board. To find out more about their company, please visit: www.uk-cg.com

Reprise IT have decided to continue their sponsorship of the Tiedeman Trophy Championship for 2018. To find out more about

Reprise IT, please visit:

repriseit.co.uk

There are other opportunities for sponsorship still available, such as sponsoring Driver of the Day or prizes for breaking a Lap Record.

If you are interested in any sponsorship opportunities for 2018, please contact
