1.2 **PADDOCK ACCESS & ALLOCATION:**

Please see the paddock plan in Section 5. It is important that teams only park in their designated area. Any competitor/team that parks in an area that is not assigned for them and refuses to move when asked by an official will be reported to the Clerk of the Course for penalty up to disqualification.

To ensure that space is used for racing activities, all private cars and non-essential vehicles are to be parked outside of the main paddock area in the “Competitor/Private vehicles Car Park” as per Section 5 maps.

Teams that are not testing will be allowed access to the circuit from 17:00 on Friday. Competitors arriving before this time will be held in a car park (near the main entrance).

On Friday evening competitors are able to access the paddock up to 11pm.

On Saturday paddock access is from 7am.

After 11pm Friday and before 6am on Sat the next morning, the gate will be locked but competitors can call Security on the number listed on the gate to gain access.

All paddock areas must be vacated as soon as possible after the meeting has ended and by 9pm.

Any competitor who is testing on the Friday and has track activity on Saturday, should, where possible, park in a location that is allocated to your Championship – if you have hired a garage for testing this can be used.

Teams using the Pit Garages are reminded that it is their responsibility to ensure that persons under the age of 16 years old are not allowed access to the pit lane.

Competitors should note that the use of electric scooters is prohibited in all areas of the venue. Anyone found using these may be removed from the venue.
