8. SCRUTINEERING

All competitors must ensure that their vehicle and PPE complies with the relevant Motorsport UK National Competition Rules.

In accordance with NCR Ch.12 App.4 Art.4.1, a minimum of 25% of vehicles and drivers' PPE will be physically inspected by a Motorsport UK scrutineer at each event. These cars will be pre-selected by the scrutineers to ensure that every car/competitor is seen at least once every four race events that it competes in. The time slot for these checks can be found on the event timetable.

Visual scrutineering will be conducted on all competing vehicles just before noise testing at the entrance of the assembly area (Super Tourer Noise testing will be on the pit apron in front of their garage). Scrutineers will have the power to perform random spot-checks on both cars and drivers' equipment throughout the event.

Any guest championships/series will need to make MSVR aware in advance of the event if they wish to have their grid checked in its entirety by a scrutineer.

If you are unsure of your vehicle's ability to meet the required safety criteria set out in the Motorsport UK National Competition Rules, then please find a Scrutineer and ask them to check this for you. If your car hasn't been checked within the past three events, please seek out a scrutineer to make them aware. Allow plenty of time before your first session on track.

9. ELIGIBILITY

Eligibility may be checked by a member of the Motorsport UK Technical Commission. These Technical Commissioners will be considered as Judges of Fact within the Regulations. The Championship/Series licensed Eligibility Scrutineers are also considered Judges of Fact and empowered to undertake any measurements or examinations of vehicles.

The briefing may be supplemented by written notes, which will include any specific information for your series/championship and will be treated as an official event document.

If the delay from the showing of the Green Flag signalling the start of the formation lap to the start of the race is more than three minutes the organisers reserve the right to reduce the race distance.
